Clinch Valley Health is proud to be a part of southwest Virginia and southern West Virginia. As a leader in our community, we strive to provide the highest quality care possible—both inside and outside our hospital walls—and are committed to our region's overall well-being. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for today and generations to come. Thank you for supporting our mission of Making Communities Healthier®.

— Peter Mulkey, *CEO, Clinch Valley Health*

## In 2018, we...

...added four providers

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high-quality care. Last year, we added providers in family medicine, vascular surgery and medical oncology/hematology.

...made more than \$2 million in capital improvements

**By continually investing in our facilities,** we're helping to ensure that we continue to meet our community's healthcare needs. Last year's investments included universal ventilator replacements, as well as replacement upgrades for patient beds and our nuclear medicine system.

...distributed a payroll of \$44,818,845 to 678 employees

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated more than \$3.1 million in services to those in need

**Delivering care to all of our neighbors,** regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$690,658 in taxes

**We are proud to be a leader in our region,** and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Duke LifePoint Quality Affiliate designation recognizes hospitals that have excelled in leadership, performance, improvement, culture, and patient and family engagement, and have the capacity to continuously measure and improve what they do.

Clinch Valley Health was proud to be named to the 2018 VSBA Business Honor Roll.
